## PROFILE

Enthusiastic and dedicated B.Tech 2nd year student specializing in Cyber Security, with a strong foundation in ethical hacking, Linux systems, and Python scripting. I am a quick learner, detail-oriented, and passionate about technology and cybersecurity. Known for being responsible, organized, and a proactive team player, I consistently seek opportunities to learn and grow. With hands-on experience in cybersecurity tools and front-end development, I am now looking to apply my skills in real-world projects and professional environments. My goal is to contribute effectively to innovative teams while expanding my technical and problem-solving capabilities.

## TRAININGS / CERTIFICATIONS

- Ethical Hacking

Dec 2024 - April 2025

DROP.org.in, Virtual

I enrolled in 4-month DCSC course, which covered cybersecurity and ethical hacking from scratch to advanced levels, including live practicals. and Hackers pen drive, packed with premium hacking tools, was included in my course . The value of the software alone makes the course worth it, and it has already been incredibly helpful in my field. I'm so grateful for the knowledge and resources I've gained.
